If your property is (or will be) rented for either holidays or vacations or for long-time tenants, do you want us to respond to emergency calls from your tenants during non-business hours. There is no additional charge if you, the owner (client), contacts us to respond during non-business hours. There is, however, an additional monthly charge of \$50 if your tenants place an order for emergency service between 5:00 pm and 8:00 am Monday through Saturday, or anytime Sunday.
